Carmine Nicastro, DC ~ Denise Nicastro, DC ~ David Kartzman, DC

April 4, 2016

Dear Friends,

I am writing this letter to inform you of my recent decision to officially retire. After 57 years in practice, I have finally decided that it is now time to fully enjoy my family. It has been my distinct honor and privilege to be a part of your lives and your healthcare. My daughter, Dr. Denise Nicastro and my son-in-law Dr. David Kartzman will still be available to care for my patients in our Corning office. They will have access to all of my records and will be able to contact me with any questions you may have with regard to your treatment plan.

I wish you all the best.

Dr. Carmine A. Nicastro Jr.
